 3. We accept all risks necessarily flowing from my participation which could result in loss of life or permanent injury. Accordingly, we release all persons or corporations associated directly or indirectly with the conduct of the event from all claims demands and proceedings arising out of my participation and I hereby indemnify them against all liability (including liability for their negligence and the negligence of others) for injury or damage arising out of or connected with my participation in this event. This release shall extend to and include The Connecting Women & Sport Trust, Events with Purpose and their respective sponsors and volunteers including medical personnel appointed for the event, the owners, licensees, and occupiers of land upon which the event or any part of it is conducted, any statutory body or local authority having control over any land upon which the event or any part of it is conducted or which is involved directly or indirectly with the event in any manner whatsoever and promoters, sponsors and event organisers. This release and indemnity continues forever and binds my heirs, executors, personal representative and assigns.
 4. We consent to receiving medical treatment that the event organisers think desirable during or after the event.
 5. Safety precautions undertaken by the organisers (such as course supervision, event safety briefing, cycle and helmet safety checks) are a service to me and other competitors but are not a guarantee of safety.
 6. We are fully responsible for the security of my personal possessions at the event.
 7. We acknowledge that by reason of circumstances beyond the control of the event directors, it may become necessary or desirable to change the format of the event, and if that occurs, I consent to the changes and I agree that each and every one of the conditions herein set out shall apply to that changed event.

- Event Rules:**
1. All participants, even if you have pre-entered, must register on either the Friday or Saturday before the event & attend the event briefing on the day.
 2. Participants must remember that the event is held on public roads. Caution & common sense must be used at all times on the roads & the park.
 3. All road rules must be obeyed at all times. **We do not have road closure for any part of the event.** Do not presume that you have any special privileges or right of way because you are participating in the event.
 4. Crossing of the white centre line of the road at any stage during the cycle will result in automatic disqualification.
 5. Marshals will be located on every turning corner & are there to assist your safety around the course; however, they are not able to stop traffic.  9. **Refunds will be given (less an administration fee) for special circumstances until 31st December 2017. After that refunds will not be given on withdrawal from, or non-starting of an event. You may however transfer your entry to another person at any time leading up to the event. Entry may be transferred to another person.**
